KAOA Award Nominations Continue

February and March are the months for AOC Awards nominations, and we need your help. Each year the Kittyhawk Chapter recognizes a few, from among the many, outstanding members of the Kittyhawk Chapter for their excellent performance and contributions to our nation and the specialty of Electronic Combat. The awards will be presented at the 1 June KAOA Chapter luncheon at The Tower Club.

To make a nomination is really easy, but the KAOA chapter needs it by March 11. Contact Keith Everly or another KAOA Board member for nomination forms. Nominations of individuals or teams can be submitted by mail or email.

The local awards board will use your write-up to determine our June awardees. Then, if your nominated person/team is selected by the local board as both a Chapter winner and slated for submission to the National Awards Board, we will work together to submit your nomination to AOC National HQ by the 1 April 2011 due date. Then, presentations to National winners will be at the 48th Annual AOC International Symposium and Convention to be held November 13-16, 2011 at the Marriott Wardman Park Hotel in Washington, DC.

If you have thought of nominating someone, please do so, and if you have questions, don't hesitate to call or email the awards guy, Keith Everly, KAOA Vice President, at keith.everly@macb.com.
