KAOA Scholarship Fund Drive Underway

The Kittyhawk AOC Chapter would like to provide a short reminder that we need your support for the 2011 Kittyhawk AOC Scholarship Fund Drive. We have a great history of providing scholarship grants to many students at colleges and universities throughout our Chapter's region. Our current portfolio of schools actively participating in the Education Foundation include: The University of Dayton, Wright State University, The Ohio State University, Cedarville University and Sinclair Community College. Multiple scholarships are awarded each year at each of these fine institutions. We'd like continue our scholarship support to the local universities and colleges mentioned above as we have in the past. Your charitable contributions will allow us to continue to support the higher education of many deserving local and regional students who represent the future of the AOC and our defense community.

Those individuals, organizations, or companies interested in making a contribution of \$100 or more automatically become members of our Kittyhawk AOC Century Club, and will get special recognition at our annual Chapter Scholarship Luncheon (planned for Wednesday, April 6, 2011). Individual donations are likely tax deductible (but please check with your tax advisor to be sure). We respectfully request your donation by **February 28th**; however donations are gladly accepted at any time. Please contact Gary Whitted, KAOA Scholarship Chairman, at gwhitted@ball.com for more information.

KAOA Seeking Award Nominations

Please take a moment to consider nominating one of your peers for a chapter award. February and March are the months for AOC Awards nominations and we need your help. There are forms and categories/criteria posted on the

AOC Luncheon- RESCHEDULED!

Registration:

<http://www.kittyhawkaoc.org/monthlyluncheon.php>

Kittyhawk website. This is your chance to identify an individual or team for recognition of contributions to the national defense, electronic warfare advancements, business development, management, and other categories in support of electronic warfare and information operations. Don't delay, we need your nominations by March 11, 2011. If you need more information or would like help with a nomination, contact Keith Everly, KAOA Vice President, at keith.everly@macb.com.

Mark Your Calendar for Spring Fling

This year's KAOA Spring Fling will be another Mystery Dinner on Friday, April 29th at NCR Country Club. Mark your calendars! Last year's event was very entertaining and had several of our beloved KAOA members portraying various characters in outlandish attire! This year's event will surely be a smash hit! Don't miss it!!!

Enjoy Dragons Baseball with the KAOA

Spring Training is about to get underway and that means the baseball season is rapidly approaching! The KAOA has selected Tuesday, August 2nd as the night to cheer on the Dayton Dragons at Fifth Third Field. Stay tuned for more details!
